

CARERS' WEEK 2017

A day just for YOU!

Come along to CCS any time from **10.30am – 2.30pm on Wednesday 14th June 2017** and let our Support & Information Team show you just how much 'We Care' about you as a carer.

You will be entertained by a beautiful string quartet, pampered by a team of professionals and be dazzled by Camden carers' original artwork amongst other treats and entertainments! You will also be able to help us celebrate our ever-growing Young Adult Carer Service and see the launch of our Young Adult Carers Service promotional materials

To top it all, if you hurry and book one of the 50 places for a delicious three course meal cooked by a top class chef and his team, then you will be fed like any carer deserves be fed especially in Carers Week!

Please note that the events throughout the day are free of charge and open to all carers, however if you wish to be treated to the three course meal then it is essential that you contact CCS to book your place.
